The Foundation of Our Success

Since its inception in 1846, Rio Grande City was built on the dreams of entrepreneurs and adventurers who charted their own paths along the treacherous waters of the Rio Grande River. Continuing this legacy of innovation, we recognize you, our Rio Grande City small businesses for the hard work, long hours and the passion you put into our community. You play a key role in keeping our economy strong.

More than half of Americans either own or work for a small business, and Rio Grande City is no exception. Rio Grande City small businesses make up the majority our employers and make critical contributions to our community. You offer a foundation to economic growth, innovation in new products and new solutions for existing ideas and you preserve our unique culture.

Small businesses power our economy.

Every year since 1963, the President of the United States has issued a proclamation announcing National Small Business Week, which recognizes the critical contributions of America's entrepreneurs and small business owners.

In honor of Small Business Week, we recognize our Rio Grande City Small Businesses. We celebrate your accomplishments and support your effort to grow, create jobs and ensure our community remains as vibrant tomorrow as it is today.
