Rio Grande City Main Street Program Expands It Network at New Manager Training

Rio Grande City, Texas (January 28, 2016) — Belinda Trevino, Rio Grande City EDC Business Development and Main Street Coordinator represented Rio Grande City at the Texas Main Street Program New Manager Training in Georgetown, Texas on January 26-27, 2016.

The two-day workshop began with an overview of the Texas Historical Commission, the state agency for historic preservation in Texas and followed with various sessions covering program management and organization, downtown promotion, building design, and economic vitality ideas for downtown revitalization efforts.

“This was a very informative experience,” said Trevino. “I was particularly impressed with the level of support Main Street communities draw from each other. Attending this training allowed me to expand Rio Grande City’s network and introduce the city to our fellow Main Street partners.”

The Rio Grande City Main Street Program provides many opportunities to get involved in downtown revitalization efforts. Anyone interested in volunteering is encouraged to visit the Main Street office at 408 E. Main Street or call (956) 488-0047.
