## **DCM Nutrition & Pharma Available for Distribution in Rio Grande City**

**Rio Grande City, Texas (May 25, 2017)** — DCM Nutrition & Pharma celebrated its first import of livestock nutritional supplements into Texas since settling its company's footprint in Rio Grande City. DCM Nutrition & Pharma is one of the latest business to use Ruta 54, an expressway connecting Monterrey, Mexico to the United States ports of entries in Rio Grande City and Roma.

"We're here to congratulate DMC Nutrition & Pharma on their first import at the Starr Camargo Bridge. We want to encourage businesses in Mexico to use the Ruta 54 and Rio Grande City's port of entry," said Rio Grande City Commissioner Dave "Chachi" Jones.

Rio Grande City is one of several border cities in Starr County that have been hosting binational meetings in an effort to revive their economies by encouraging the use and safety of Ruta 54. DCM Pharma attended the Ruta 54 meeting in Roma, Texas on May 19 to learn more about the initiative before their first import.

Founded in 2009, DCM Nutrition & Pharma is a distribution company of veterinary pharmaceuticals which produces hormone-free and chemical-free animal feed. DCM Nutrition & Pharma will also host a business grand opening at their Rio Grande City office located at 204 E. 2<sup>nd</sup> Street in late July.
