Rio Grande City EDC Announces Restaurant Roadmap Lecture

Rio Grande City, Texas (January 28, 2016) — Thinking of opening a restaurant? Want to know more about the new Rio Grande City issued Inspections and Permits? Join the Rio Grande City Economic Development Corporation for a free Lunch and Learn lecture at City Hall on February 16 from 12 to 1 p.m.

“Restaurant Roadmap” hosted by the Rio Grande City EDC in partnership with the Rio Grande City Planning and Fire Departments will provide restaurant-oriented entrepreneurs or established restaurant owners with an overview of the permitting process including required licenses, permits and inspections.

“We are bringing this lecture to local business to help provide specific information on the city’s new inspection criteria and to further encourage this endeavor and continued investment in Rio Grande City,” said Rey Ramirez, Rio Grande City Councilman and EDC Board President.

“The Planning Department is prepared to work closely with its restaurant clients to protect public health in Rio Grande City,” said Gilbert Millan, Rio Grande City Planning Director. “The Rio Grande City Fire Department and city code enforcement officers will be present to answer questions as well as introduce new procedures and codes.”

The lecture is free and open to Rio Grande City entrepreneurs and existing restaurant owners. Pre-registration is encouraged as spacing is limited. A complimentary meal will be provided. To reserve your space, call the Rio Grande City Economic Development office at (956) 487-3476 or email btrevino@rgcedc.org.
